Workmen poured the foundation for the new Buena Park High School and all concerned hoped the structure would be completed by September, 1956.

## You Helped Make History In 1955-'56

Lorraine,

I sure enjoyed having you in Foods and chorus. Gee you know, you beat me by getting engaged about two weeks.

I wonder who'll get married first. Best of luck to a real fine girl. Always  
Ilda Padilla

After thirty-six years of service to local education, Mr. Glenn H. Lewis retired as principal of Fullerton High School.

It was the last year of "fledgling" status for La Habra High School as the Highlanders prepared to offer a full, four-year curriculum in 1956-57.

Great masses of students were everywhere as a record-high enrollment strained F.U.H.S. facilities.

Student Government flourished at Fullerton. Pat Hearn, president, and Catalina Cano, secretary of Region V of the California Association of Student Councils, were in charge of the spring convention held in May. They greeted 300 visiting students to the Fullerton High campus.

At the close of the day it was time to hurry for a bus seat. Even though there was an increase in passengers, the number of buses remained the same.

### Alma Mater

We are proud of all thy prowess, Fullerton!  
And we thy colors bravely bear.  
We will be thy loyal subjects ever;  
Joy and grief we alike will with thee share.

### Chorus

Oh, F.H.S., thy name we love,  
And ever staunch and true you'll find us;  
We'll stand by thee through all eternity,  
The red and white, so true!

We dedicated this, the 1956 Annual Pleiades, to a man who devoted the greater part of his life in service to Fullerton Union High School. He was loved and admired by all who knew him as teacher, coach, counselor, principal, and friend. No one could have found a more interested listener, whether asking for advice or sharing an experience. To a man whose spirit will live in the heart of Fullerton even as time moves on . . . Mr. Lewis, to you, the 1956 Pleiades

Lives of great men all remind us  
We can make our lives sublime,  
And, departing, leave behind us  
Footprints on the sands of time

—Longfellow

**Dorothea Spears**, in her fifth year as Dean of Girls, directed her energies to the guidance and counseling of girls at Fullerton High

As adviser to the Girls' League, she was active in the promotion of the League's objectives: the highest ideals of womanhood, a greater degree of cooperation, and friendship among girls and faculty

Through the fulfillment of these objectives, Mrs. Spears believed high school life, although a time of new adjustments and responsibilities, would be "the best years of your life."

For **Donald C. Cruickshank**, it was the final year as **Vice-Principal and Dean of Boys**, as he prepared to assume the principalship upon the retirement of Mr. Lewis.

Mr. Cruickshank came to Fullerton in 1931. After serving five years in the Army Air Force, he returned to Fullerton in 1946 and was appointed Dean of Boys. In 1951 he became Vice-Principal as well as Dean of Boys.

Mr. Cruickshank observed how well the student body adjusted to the crowded conditions caused by the largest enrollment in the history of Fullerton High.

He advised: "Time passes so quickly; never put anything off. The time you lose can never be recovered."

"Wait, thou child of hope,

—Tupper

This is the group of friends who were with me when I was in the hospital.

Hey Laraine,

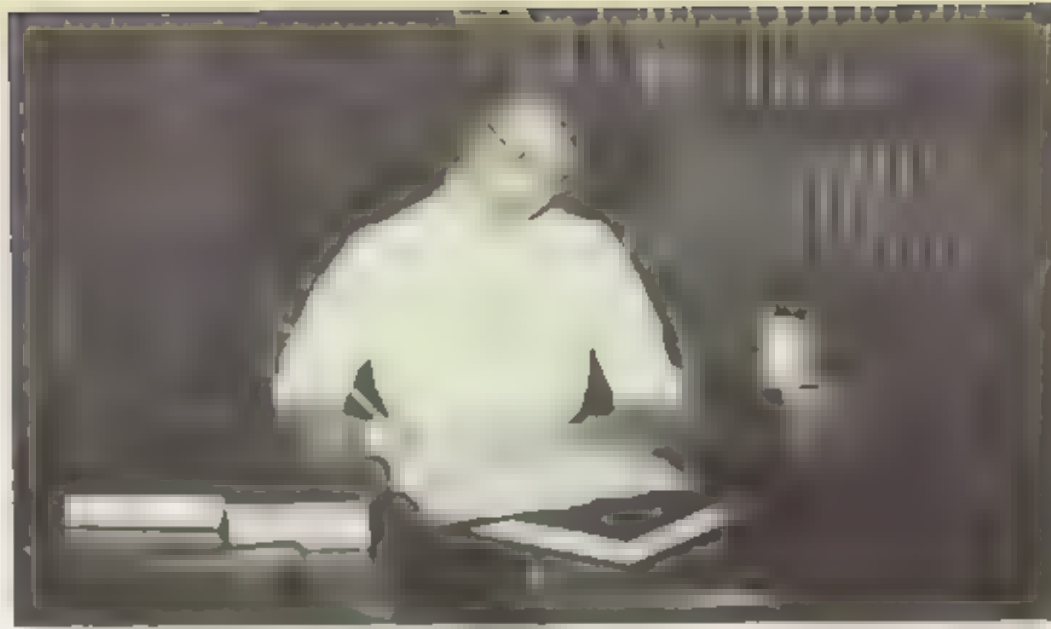

It sure has been great knowing you these last few years. Too bad we couldn't have had more classes together.

Well, just think about nine more hours and we will be out of this rat-race. I'm sure not dreading it and I'm sure you're not either.

Lots of love in the future and have fun this summer.

Seniors

I wish you all the success in the world to you and your future husband. May it be very happy and successful. Love forever yours

Abstract: The purpose of this study was to determine the effect of a 12-week resistance training program on the muscle strength and endurance of young adults. The subjects were 20 young adults (10 males and 10 females) who were randomly assigned to either a resistance training group or a control group. The resistance training group performed a 12-week program of resistance training, while the control group did not. The subjects were tested at baseline and at the end of the 12-week period. The results showed that the resistance training group had significantly greater muscle strength and endurance than the control group at the end of the 12-week period.

A group of people, including a woman in a dark jacket and a man in a light shirt, standing together in a room. The image is very blurry and has a high level of contrast, making details difficult to discern. The group appears to be standing in a line or a cluster, possibly in a hallway or a room with a doorway in the background.

Dear Lorraine:

Well - we have almost reached the end of my senior year has been my best year at Fullerton.

If we could we would like you very much one more time to come, we would love to see you again. I don't believe we'll ever see you again. I don't think that we are going to see you at all. I don't want to visit you at the house in the woods.

Dear Sirs,  
I graduated  
in 1965, and since  
we will have many fond  
memories of our high school  
years (that's right!) I still  
remember that it was a  
great time with Mr. Smith.  
I was so occasionally funny  
I actually had to sit at the  
day-men, where I got a ride  
in that 4th floor — in 1965.  
The year was 1965 — I was  
back home. I was a way to  
get where I was — and  
while I was in the mind.  
I was always  
in the studio

you ought to be a teacher  
and you are a very good  
teacher indeed.

Louise

There was a lot of courage to take a position on the annual staff. It's years since then, but I remember this soon after the first meeting in September. Although many decisions such as the cover design, number of pages, and prevailing style were considered by the group, each individual had his own responsibility. He was assigned to take a portion of the school year and put it into a section, and come up with results which could please the student body and staff. The standards would have been set down by the staff. Many problems arose which demanded important decisions, whether to establish something new and different or to succumb to tradition, whether to try something which might fail, or to revert to the old tried and true method. It took courage to go out completely untrained, to solicit advertising from local merchants, to get out in front of a crowd to take pictures, knowing something might go wrong. Nowhere else but on the annual staff could these things be learned in high school. We are grateful for the opportunity. We can extend a special word of appreciation to those who helped make this publication possible.

## Our Thanks To You . . .

### *The Cover Manufacturers*

### *Fullerton Union High School*

for providing a beautiful and growing campus with a student body of active and enthusiastic people ready to carry on the traditions and responsibilities which have been set down since its first year, 1896.

### *Glenn H. Lewis*

to whom this book is dedicated, our final regards to our retiring principal who will never be forgotten in the annuals of Fullerton High.

The 1955-56 annual staff thanks you all for your part in recording the year. In service to you, the student body, we have grown immeasurably.
